CHRISTMAS IN JULY

This fun themed tour brings the magic of the holidays to July. Simple tour touches like decorating the inside of the tour bus with holiday lights before heading off. Giving everyone a stocking to hang; someone on the bus is going to get coal from Santa. Host a bus ornament decorating contest, give everyone cookies and milk to leave out for Santa before heading to bed. Invite "Mrs. Claus" to show-up to hand out special holiday presents.

These simple ideas are sure to make this tour become one of their favorites.
